The Philosophy of Adventurers

The purpose of having an Adventurer Club is to lead its membership into a growing, redemptive relationship with Christ, to build its membership into responsible, mature individuals and to involve its membership in active selfless service. All Adventurer leaders are Christians, working hand in hand with parents, teachers and pastors providing optimum opportunities for Christian development. The Adventurer Club is an extension of the home, school and church, it is an experimental laboratory where growth and learning flourish. The membership involves youth in grades 1-4 who have a desire for group activities. These activities range from community and world mission projects to nature, outdoor and camping activities and Adventurer class curriculum.
