## APPLICATION TO SELL FOOD & DRINK

It is possible to sell food items to persons who are not a part of your club during the Adventurer Fun Day. This can be a source of revenue for your club. However, all clubs wishing to sell food need to register. Each registered club will be provided with a table and an assigned space in the 'food court'. The cost to register is \$20. This is non refundable. Clubs can only use the tables that are provided and each club is limited to one table. Tables are limited to 15 and registration will operate on a first-come first-served basis.

Clubs remain responsible for the safety of the food/drink that they sell. Adequate food safety and hygiene measures should be taken.

Clubs are allowed to cook/reheat food on the Campground however no facilities will be provided to do this. All clubs that will be cooking or reheating food items will have to take adequate fire precautions and have to hand a fire extinguisher. Only approved camping cook stoves which use propane or camp gas may be used. No bonfires or barbeques.

The ingredients of food items should be readily available so that persons with food allergies can be informed.
