

November 2011

Dear Friends & Family:

God is doing many wonderful things in my life. I have an opportunity to participate in a unique ministry opportunity. The Southern New England Conference (SNEC) Youth Department is planning a mission trip to *People of La Romana* in the Dominican Republic. This 10-day mission trip, April 13-22, 2012 will be an opportunity to share the gospel to the Dominican people by volunteering in their clinics, building projects, Vacation Bible School and other projects.

La Romana is the third largest city in Dominican Republic with more than 250,000 people living there. Although the city is developing, many sections are very poor. Many housing in the area, where we will be working, are built using pallets and sheet metal pieced together. The neighborhood is in dire need of a church to allow people living there and church members a place to meet.

I am writing to ask you for your financial support which will enable me and the Mission Team to participate in this powerful service experience. I look forward to learning about a new culture and come back to share my experiences. Serving people is an enormous blessing!

Please consider making a tax deductible donation to SNEC for the mission trip. A return envelope is enclosed for your convenience. In addition, if you would like to make a donation online, please go to <http://snecyouth.org/node/396> and indicate who informed you about the mission trip.

Thank you for keeping the Mission Team 2012 in your prayers!

Sincerely,
